Church News

Greetings from Concordia University! We want to take this opportunity to thank you for your generous hospitality during Wind Symphony's recent visit. Most importantly, however, thank you for the opportunity to share God's gift of music with your congregation. Your efforts on our behalf to make the concert a successful experience are genuinely appreciated. Our students were blessed by the opportunity and we trust that you, your congregation and guests were blessed as well. Please remember our students, faculty and staff in your prayers and pass the good word along about Concordia University Chicago to prospective students.

I wish to thank all the wonderful members of St. Paul for the lovely birthday cards I received for my 84th birthday. Their thoughtfulness was so appreciated and brought such great joy to my heart. St. Paul's members have always been such wonderful friends to my family and I. May our gracious Lord always be with you all, always. - Lois Leininger

Thank you to the many members of your congregation who faithfully send cards of well-wishes to our mother. Your kindness and love in Christ shines through. - The Family of Eleanor Stewart

St. Paul Westlake offers a Church Worker Scholarship Award that is available to a student attending a Concordia University or Seminary, preparing for full-time church work in the Lutheran Church Missouri Synod. If this is you, please stop by the Church Office and pick up a form to complete. The form needs to be completed each year in the Spring. The Lord bless your service to Him! (Pastor Young)

Sgt. Clean's Car Wash Fundraiser. How does it work? Stop by any of our locations, Select the Fundraiser Button or alert an associate, Provide your Charity's Code (775), and Sgt. Clean will then donate 10% of your car wash. Unlimited car washing starting at just \$14.97 per month. Visit www.sgtclean.com for more information and for locations.

Please remember that our teachers, staff and others who serve, also come to worship with us. Allow those who serve us to worship and fellowship together with the whole church without using this time for church and school business. Please contact them during the time they serve but not during worship and fellowship times. It may seem expedient, but it can wait until a more appropriate time. Thanks for being considerate.

God finances His church. He wants our treasures only after He has our heart. The gathering of the offerings is therefore not merely collecting money. It is responding to His Word and Sacrament; it is a holy privilege for those who believe in Jesus Christ. This is an opportunity to express gratitude to God's love and grace by returning a portion of the gifts He has so freely given to us. As God's children, we consider it a special honor to build and extend His kingdom through our offerings. Our visitors and guests are in no way compelled to contribute to this offering. We welcome our guests and pray our worship together in Christ is a joy and encouragement to you as we hear more about God's great love in Jesus Christ, our Lord and Savior. Praise be to God for the gifts of His people!
