CHURCH NEWS

CREDO musicians are coming again to play for our Traditional services. We need two drivers to pick them up with instruments (including a cello) in Oberlin on Sunday, July 15 at 7am and bring them to church. Host drivers would also take them out for a meal following the late service and return them to Oberlin. Please contact Pastor Smith if you're ready to say "yes" to helping us welcome these youth to our services.

The offering from the 2018 Ascension Day service was \$1,184.00. This money is going to the LCMS Disaster Response in Puerto Rico. They have opened up two Mercy Centers on the island to both meet peoples physical needs and to share the love and compassion of Christ. Thanks to everyone who contributed. God be praised!

St. Paul Westlake Church and School is hosting a high quality technology camp called Classroomantics the week of June 25. Sign up at classroomantics.com. For questions, contact Classroomantics directly.

Beginning Saturday, June 16, while work is underway on our rear parking lot, parking on Sundays will be at a premium. Please consider attending Saturday 5pm services in the Activity Center (not The Meeting Place); or Monday 7:30pm services in the Sanctuary. Therefore, beginning Sunday June 16, the front lot is for handicap and elderly parking on Sundays. Pray for good weather and early completion of the paving scheduled for late July. Thanks for your patience.

Registration for Summer Camp 2018: Students can attend for one or multiple weeks of the summer. Camp activities include group games, daily devotions, craft/cooking projects, and a daily field trip to a park, pool, or local sight. More information and registration forms can be found at: <https://school.stpaulwestlake.org/programs/summer-camp/> If you have any questions, contact Laurie Lenz at lrenz@stpaulwestlake.org.
