Mission Trip Commitment Form:

After praying about it with my family, I have decided to make a reservation for the Smoky Mountain Youthworks trip. Dates are July 20-25, 2008. with a day or two in front and back for travel. Enclosed is \$50. (or you can take money out of your account.) *I understand that I am expected to be regularly involved in youth group this year.* This includes Bible study, youth night, fundraisers and service events. I understand that I have until Jan. 5 to fully decide on this trip. Before Jan. 5 I can receive my deposit back. After Jan. 5 I will be responsible for the entire cost of the Youthworks portion of the trip whether I attend or not. Initial here _____

Adults: We pray that the Lord will send those whom He desires. If you feel called to attend either of these trips as a chaperone please talk to Mrs. O'Hara for full details. It is a rewarding trip, but it is not a vacation. We are only allowed to take 1 adult per 6 participants—so we are limited to the amount of adults that can attend. The role of the adult chaperone is to help the teens get the most out of the trip as possible. It is also necessary that the adults be involved in youth ministry the entire school year so that relationships may be developed between our youth and adult leaders.

I understand the commitment necessary to attend the mission trip. After praying about it, I have decided to attend. *I will make youth group a priority in my schedule this year so that my experience on the mission trip will be full and fun!*
