Clay's Park offers something fun for everyone. Our man-made sand-bottom swimming lake features diving boards, ring swings, ring pulley, barrel roll, and a kid's swimming area. Other activities include paddle boats, miniature golf, driving range, white sand volley ball courts, basketball and a special children's activity corner.

We need adult drivers and chaperones in order to provide this trip! We require a 4:1 ratio of youth to chaperones due to the waterpark aspect of the trip.
