

# Youth Group "Summer Wednesdays"

"Summer Wednesdays" will be a chance for the youth group, and their friends, to get together over the summer! Each Wednesday that it is offered will provide a chance to study God's Word together, and have some fun!

We are asking that parents host 1 Wednesday in the summer. The time, place and date would be your choice! We envision a short Bible study or devotion—to be led by the students—and food and fellowship!

Some ideas ... pool party at your home, meet at the park for a picnic, softball challenge, visit nursing home residents and then pizza party, use the Annex for a movie night or DDR, Guitar Hero..., hang out at your house, giant water balloon fight, a trip to Dover Lake Waterpark...the sky is the limit! The host would plan just 1 day! We may meet on one Wednesday from 1-3 PM, the next from 7-9 PM...the times would depend on the outing! The first Wednesday would be June 25, and the last would be August 13. We break for our mission trips, and July 30<sup>th</sup> is Cedar Point so those weeks are already planned. Can we get something scheduled on the 5 other days? Call Cindy O'Hara—934-5654—or e-mail her: [Ctohara2@aol.com](mailto:Ctohara2@aol.com) with your ideas and date preferences. We would like the dates and ideas finalized by May 25 so that we can send out a summer calendar.

Put your thinking caps on and get creative! Cheap and fun is the theme ☺!
